

## BEFORE YOU TAKE THE ROAD TEST

1.	Your vehicle including all of the following must be in good working condition. Any additional condit	ions
	determined to be unsafe may also be cause for rejection of the vehicle for use on the road test.	

Two Headlights, at least one on either side
At least one Tail Light, one Stop Light and two Reflectors on the rear of the vehicle
Brakes, two separate means of applying the brakes
Tires

□ Horn

SpeedometerDoors (front driver and passenger)

□ Windshield Wipers

□ Windshield (any cracks may not obstruct vision)

□ Seat Belts, if model year 1972 or newer

2. You must have **current** registration, plates and insurance.

3. For safety reasons, you must understand the following words in English: Stop; Slow down; Left (*and right*) lane; Drive straight ahead; Turn left (*and right*) at next street, corner, stop sign, traffic light; Speedometer and Seat belt.

If you are unable to comply with any of the above items, please tell the Customer Service Representative at the written test grading counter. Your application will be held pending correction of the condition or return with a different vehicle. You will be given a receipt for your fees paid. Thank you.
